GROWING CLOUD NATIVE TOGETHER

KCD MELBOURNE 2026

SPONSORSHIP PROSPECTUS

SUPPORTED BY

CLOUD NATIVE COMPUTING FOUNDATION

Contribute to the growth and advancement of our vibrant community

We are thrilled to present you with the unique opportunity to sponsor the inaugural KCD Melbourne 2H 2026. KCDs are an extraordinary series of events that play a vital role in fostering the global community of engineers, developers, and cloud-native enthusiasts. As the adoption of Kubernetes and cloud-native technologies continues to surge, KCDs have emerged as one of the premier platforms for connecting like-minded professionals who shape the future of digital infrastructure.

In almost 5 years, the Cloud Native Computing Foundation supported more than 123 completed KCD events in 47 countries, and 68 cities.

WHY SPONSOR

Sponsoring KCDs offers companies a unique opportunity to achieve multiple strategic objectives.

SUPPORTED BY

CLOUD NATIVE COMPUTING FOUNDATION

01 KCDs provides unparalleled brand awareness within the cloud-native and Kubernetes communities, connecting your company with highly engaged developers, system engineers, architects & technical leaders.

02 Gain access to networking opportunities with quality, targeted attendees, and leverage KCDs as a powerful platform to promote your product and recruit top talent from a diverse pool of skilled professionals.

03 Associate your brand with one of the fastest-growing technology communities and demonstrates your commitment to community growth and development.

04 By supporting KCDs, your brand will enhance its credibility by establishing itself as a prominent and influential player in Cloud Native technology.

KCD MELBOURNE 2026

On 5th of August, 2026 the Kubernetes and Cloud Native community will gather in Melbourne, Australia for a one-day technical conference loaded with exciting talks and plenty of opportunities for growing and networking. What to expect:

- KCD Melbourne 2026 will be the first and the biggest CNCF event organized in Melbourne.
- Reach 200+ senior platform engineers, architects, DevOps leaders and decision-makers
- Put your brand in front of Australia’s fastest-growing cloud native community
- A diverse and vibrant community of local and international attendees.

THE VENUE

COLLINS SQUARE, MELBOURE

KCD Melbourne 2026 will be hosted at Collins Square, one of Australia’s most prestigious and technologically advanced integrated precincts.

Located in the heart of Melbourne’s professional district in Docklands, it offers a world-class setting that mirrors the innovation of the Cloud Native community.

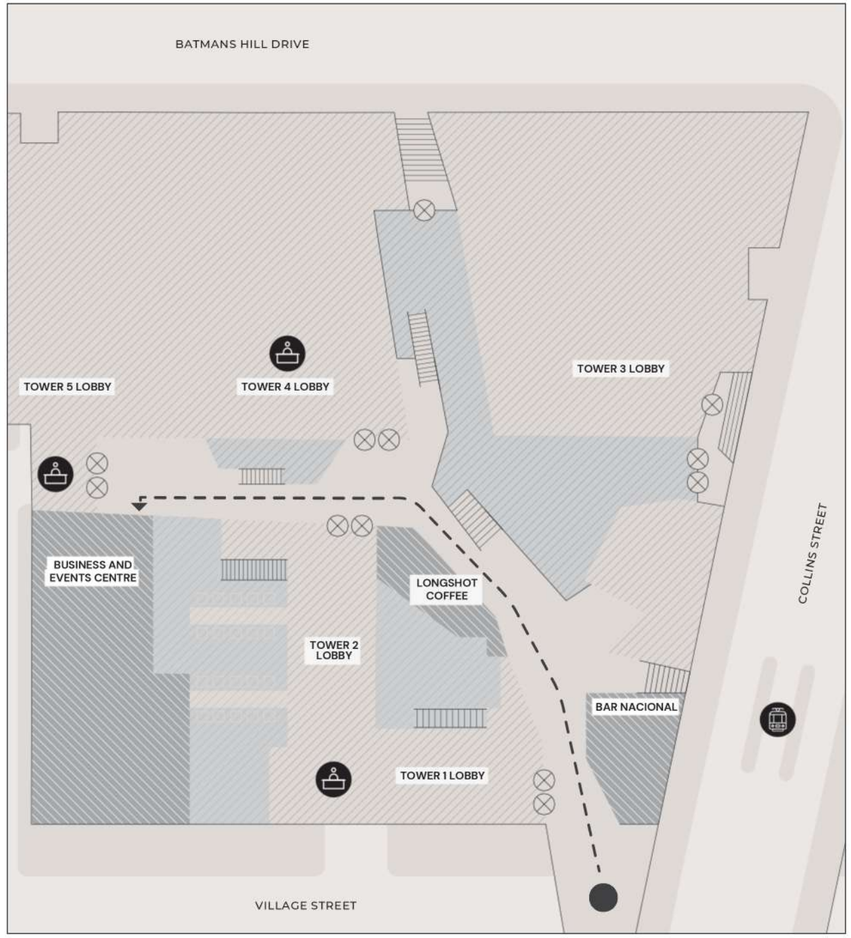
COLLINS SQUARE, MELBOURE

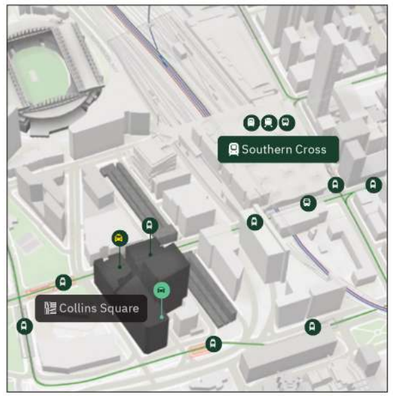
Location

Centrally located at 727 Collins Street with the Collins Square Precinct, The Events Centre is easily accessible via vehicle, public transport and integrated walking and cycling routes.

Transport

Collins Square is located directly opposite tram stop D15-Batmans Hill Drive / Collins Street and there are additional tram stops on Flinders Street. Collins Square is just 200 metres from Southern Cross Station where you can access up to 15 different train lines and connections to all V/Line services.





Where to find us

Arrive at Collins Square from Collins Street, entering near Tower 1 & 2 and Bar Nacional. Follow the path along upper plaza, veering left past Longshot Coffee and walk towards Tower 5 entrance. You'll find the events centre to your left, just before the Tower 5 revolving doors.

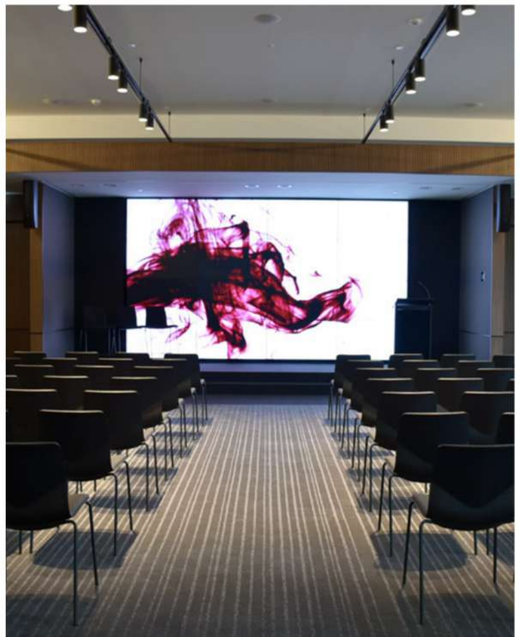
Tram Stop Escalator Entry point Concierge

THE ROOMS

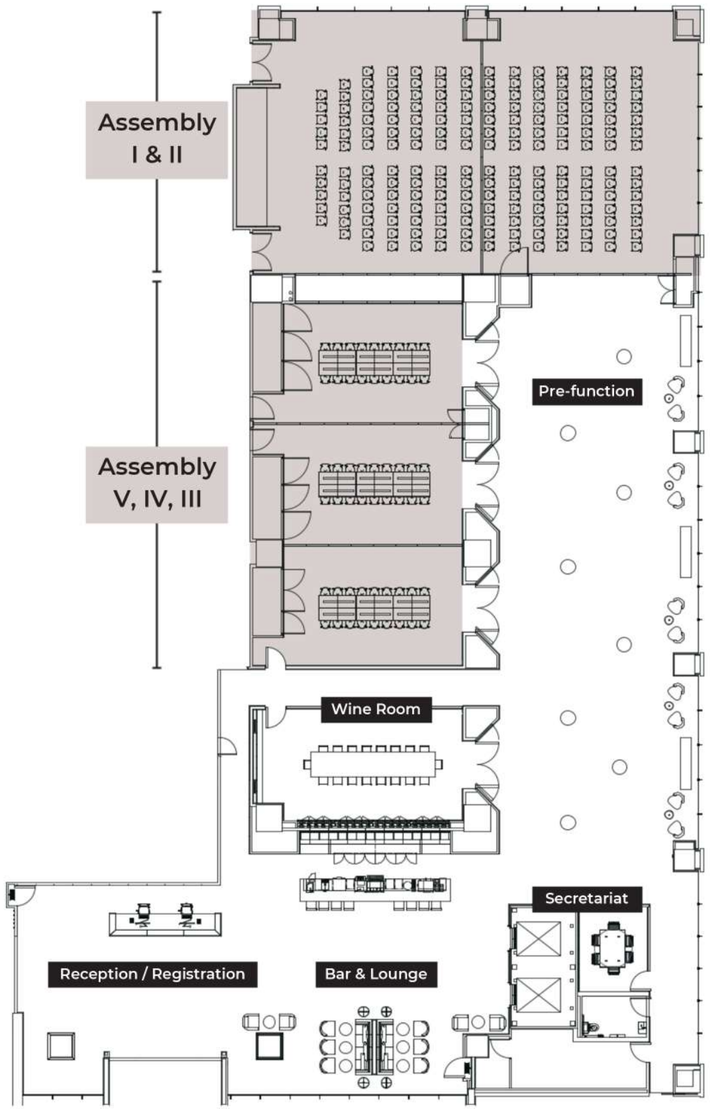
State-of-the-art rooms equipped with integrated AV and tele-presence technology, perfect for deep-dive sessions and community lightning talks.

The expansive Pre-function area and Bar & Lounge provide a high-traffic, open-plan layout ideal for sponsor booths and interactive demo stations.

The Reception and Bar areas are designed to facilitate high-end catering flow, ensuring that lunch and coffee breaks become natural networking opportunities rather than just a pause in the day.



THE LAYOUT



The Events Centre offers a modular, high-flow layout designed for seamless transitions between large-scale keynotes and focused technical tracks. The floor plan is anchored by five Assembly Rooms. This versatile environment is connected by an expansive Pre-function area and Bar & Lounge, providing dedicated spaces for a registration hub, sponsor booths, and quiet community zones, ensuring a logical and fluid journey for every delegate.
