

Berlin 2020

Kubernetes Community Days

Sponsor Prospectus | 27. - 28. Mai 2020

Kubernetes Community Days Berlin is a new two day conference from german Kubernetes and cloud native community.

It's aimed at developer, IT professionals and decision makers with interest in cloud native technologies and it's supported by the Cloud Native Computing Foundation.

What you can expect?

Kubernetes Community Days Berlin wants to be differentiate itself from the average IT conference while still adopting and embracing Cloud Native Computing Foundation Code of Conduct and especially the focus on diversity and inclusion.

We will focus on creating lasting value from the community and for the community, increasing the diversity and inclusion by adopting a strict code of conduct to eliminate any discrimination and provide an harassment-free environment.

We will priotice talks that are technically competent, relevant to the larger community and coming from end.user rather than vendors, to ensure the highest possible quality of sessions and an interesting event for the majority of attendees. **We will help first-time speakers with assigned coaches in a separate track.**

As a sponsor...

The value of being part of a community is undeniable and a major part in the strategic marketing of many small and big players in the cloud native space - and it's the right thing to do. Open Source is as much as giving back as it is to enjoy the immense value produced by the largest development team on the planet - the open source community. We want to give an opportunity to local and international businesses to be part of this and give back and share the journey with the german Cloud Native / Kubernetes.

We strictly require all sponsors to adhere to our code of conduct and privacy policies. We encourage an active participation of all sponsors to the community.

We capacity for 400+ attendees, and possible more. If you help us to create this space we commit to increase in the next year.
