

KCD PANAMA 2026

SPONSORSHIP PROSPECTUS

SUPPORTED BY

Contribute to the growth and advancement of our vibrant community

We are thrilled to present you with the unique opportunity to sponsor KCDs, an extraordinary series of events that play a vital role in fostering the global community of engineers, developers, and cloud-native enthusiasts. As the adoption of Kubernetes and cloud-native technologies continues to surge, KCDs have emerged as one of the premier platforms for connecting like-minded professionals who shape the future of digital infrastructure.

In almost 5 years, the Cloud Native Computing Foundation supported more than 117 completed KCD events in 46 countries, and 68 cities.

(November 2025)

WHY SPONSOR

Sponsoring KCDs offers companies a unique opportunity to achieve multiple strategic objectives.

01

KCDs provides unparalleled **brand awareness** within the cloud-native and Kubernetes communities, connecting your company with highly engaged developers, system engineers, architects & technical leaders.

03

Associate your brand with one of the fastest-growing technology communities and demonstrates your **commitment to community** growth and development.

02

Gain access to **networking opportunities** with quality, targeted attendees, and leverage KCDs as a powerful platform to promote your product and recruit top talent from a diverse pool of skilled professionals.

04

By supporting KCDs, your brand will enhance its **credibility** by establishing itself as a prominent and influential player in Cloud Native technology.

KCD PANAMA 2026

In April 2026, the Kubernetes and Cloud Native community will gather in Panama for a comprehensive three-day immersive experience.

Far beyond a standard conference, this year's edition offers a curated journey through executive strategy, deep-dive technical workshops, and high-impact networking.

- The Region's Premier Event: KCD Panama 2026 establishes itself as the first and largest CNCF-backed gathering in the country.
- Three Days of Impact: An intensive agenda featuring an exclusive Executive Forum (Day 1), Hands-on Technical Workshops (Day 2), and a massive Main Conference (Day 3).
- An Expanded Audience: Over 200 attendees expected, spanning from C-Level decision-makers to Senior Engineers and IT Professionals.
- A Vibrant Ecosystem: A diverse community of local and international experts coming together to shape the future of cloud native in the region.

THE VENUE

CENTRO DE CONVENCIONES DE CIUDAD DEL SABER, PANAMA

KCD Panama 2026 will be held at Centro de Convenciones de Ciudad del Saber located in Panama

Strategic Location & Ecosystem More than just a building, the Convention Center is the heart of Ciudad del Saber (City of Knowledge), a transformed military base that now serves as Panama's premier hub for innovation, science, and technology.

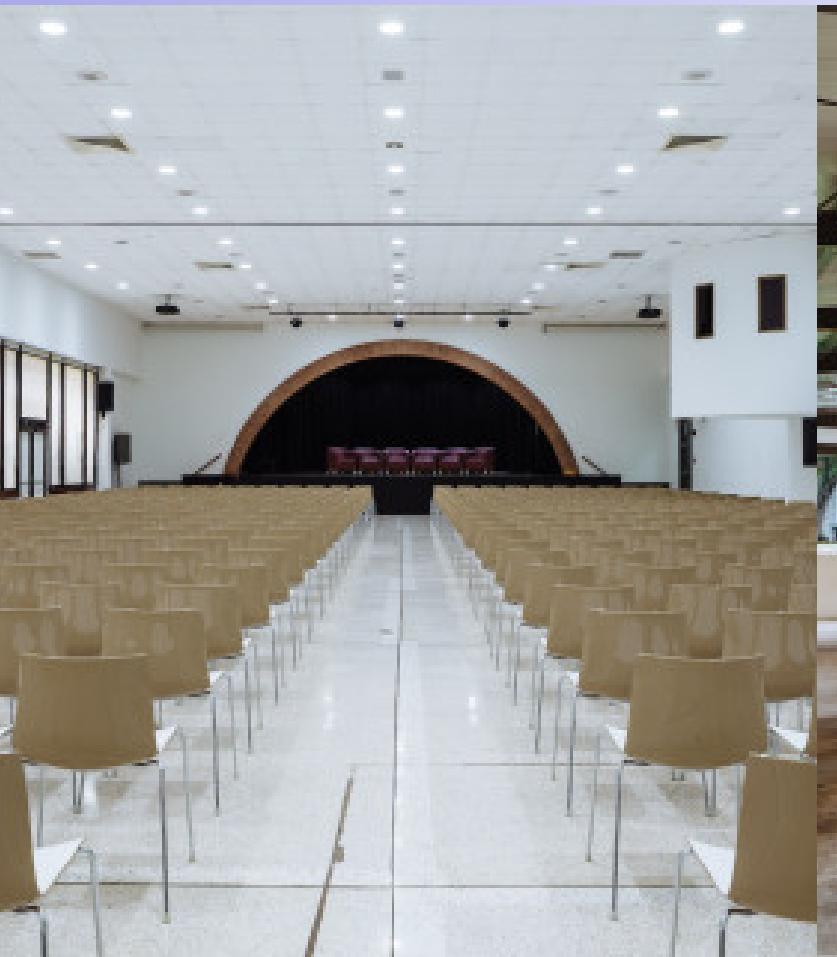

Located just minutes from the famous Panama Canal Miraflores Locks, this 120-hectare campus is home to the United Nations regional headquarters, leading tech startups, and academic institutions.

THE VENUE

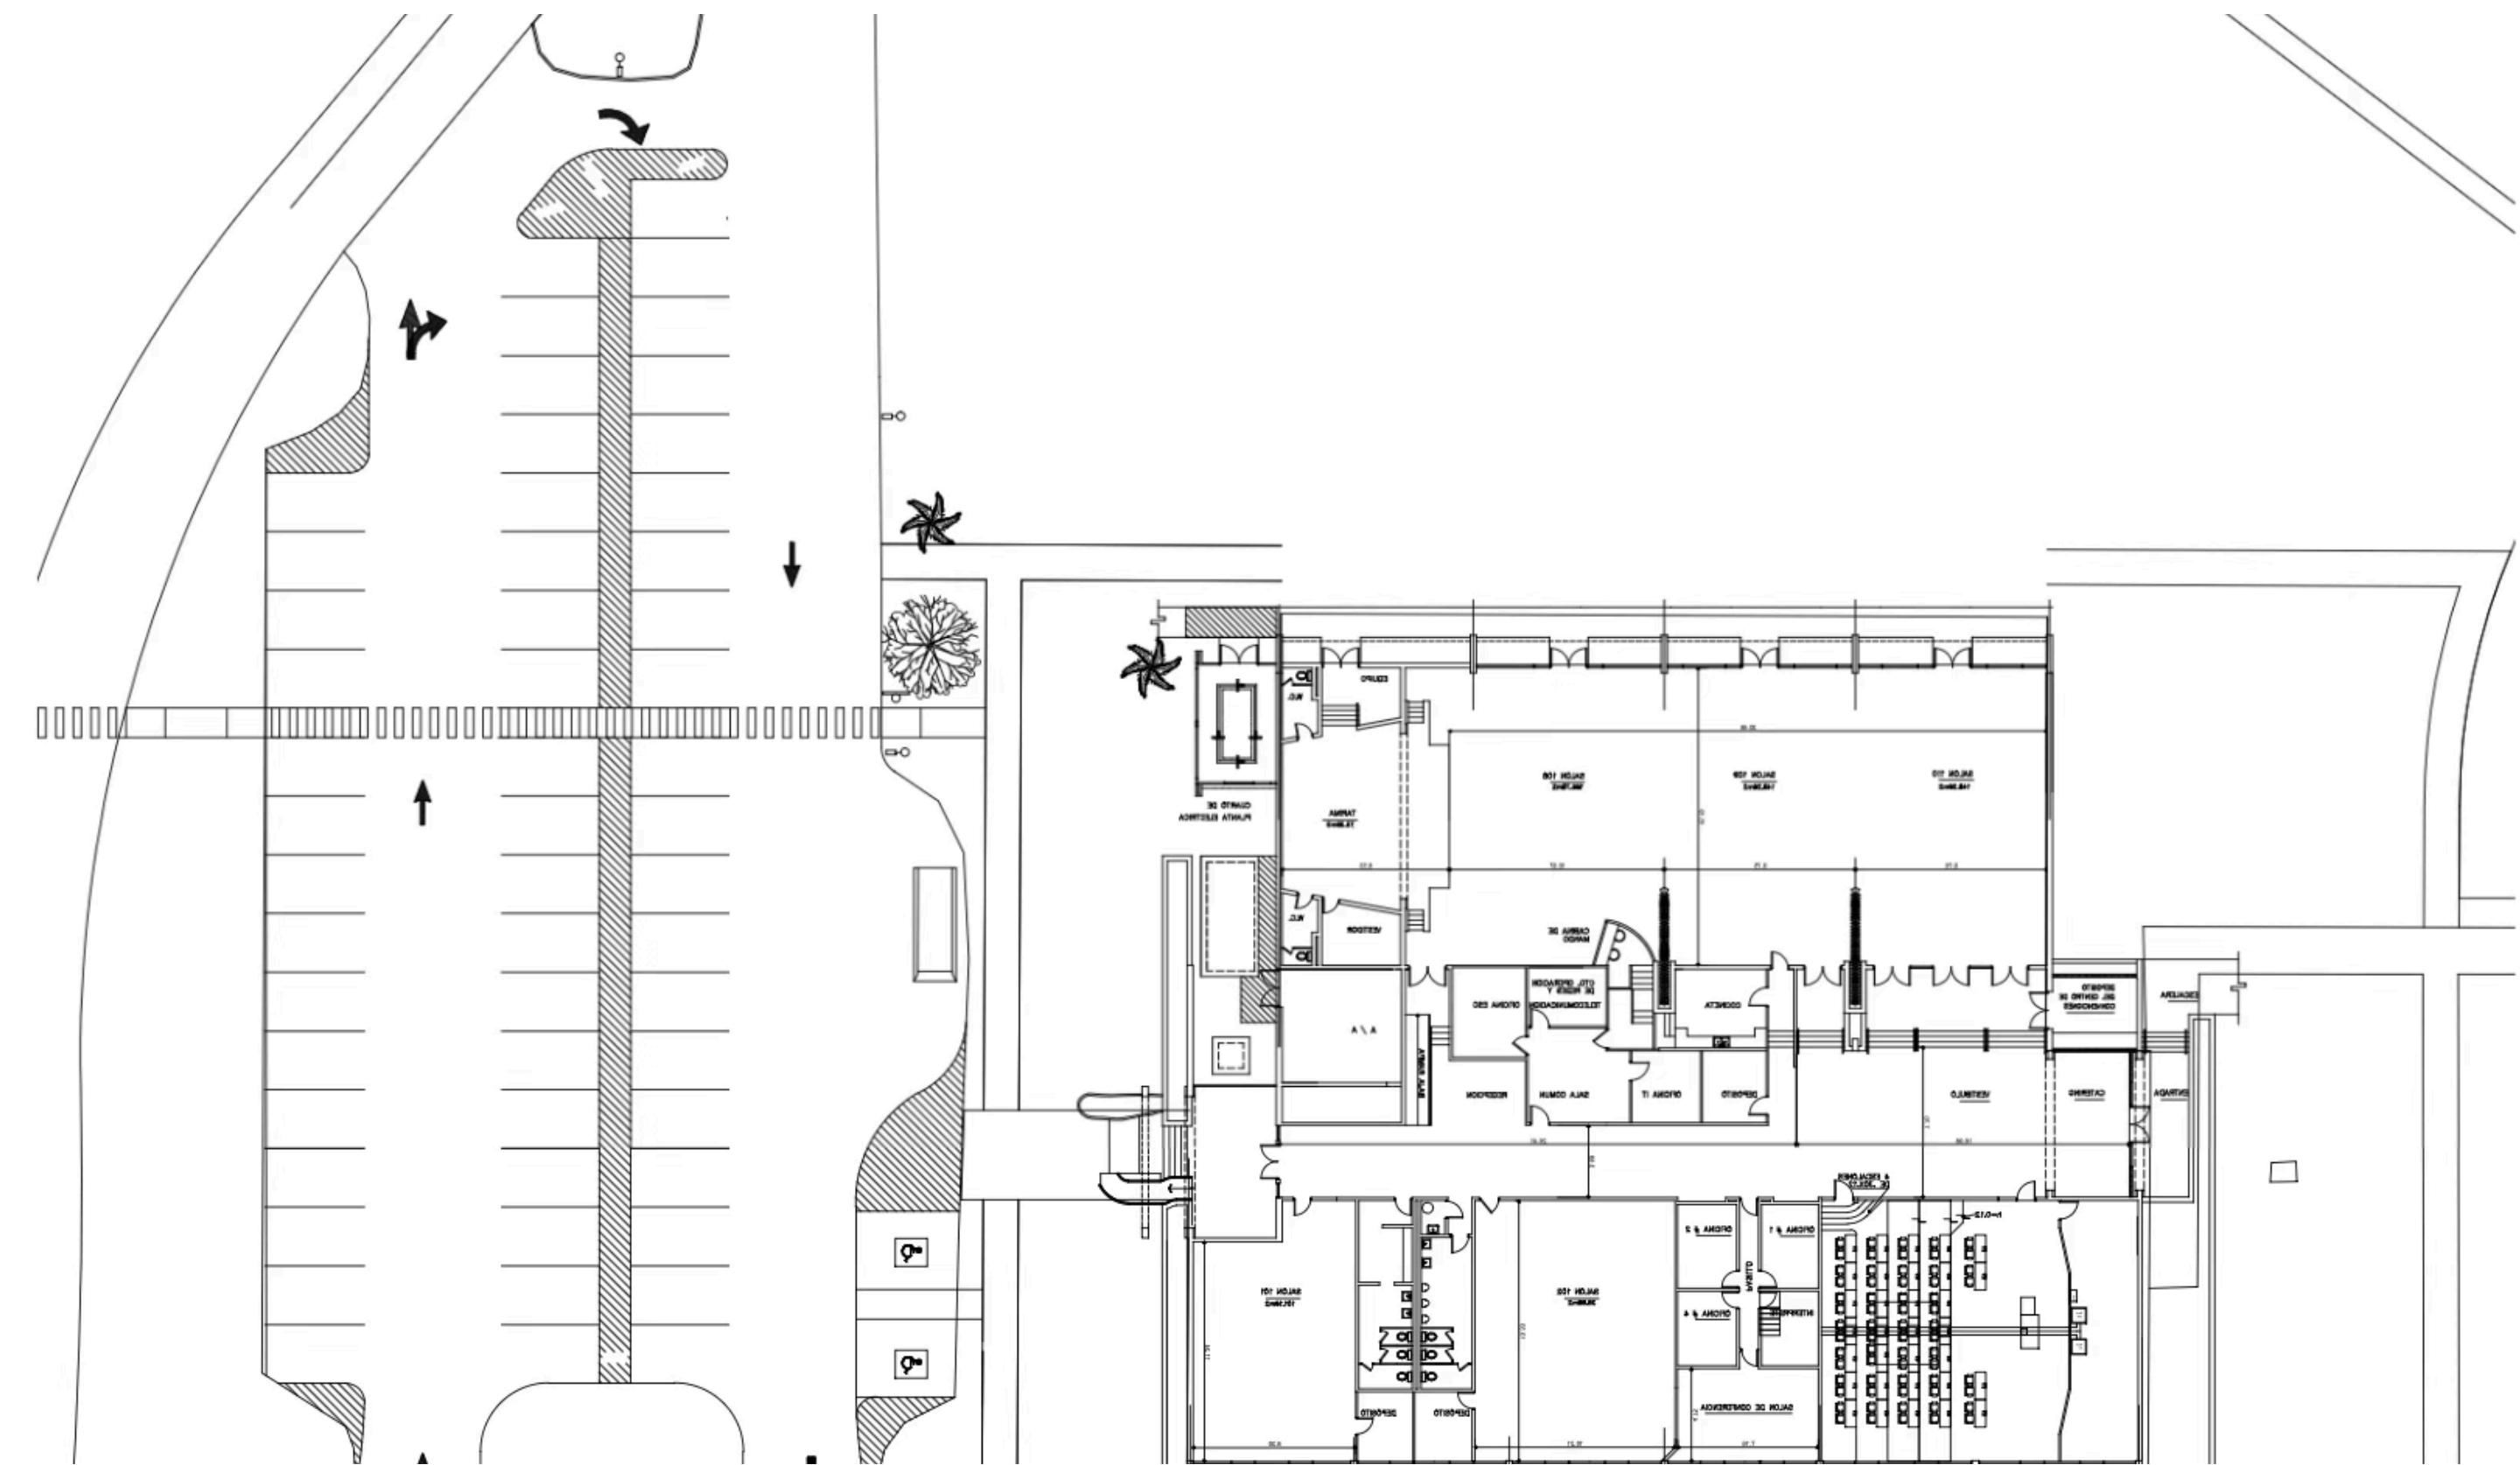

THE SPACE

The venue offers exceptional operational flexibility that aligns seamlessly with our multi-day agenda, featuring modular forums with sliding walls that allow us to combine rooms into a massive central stage geared with top-tier AV.

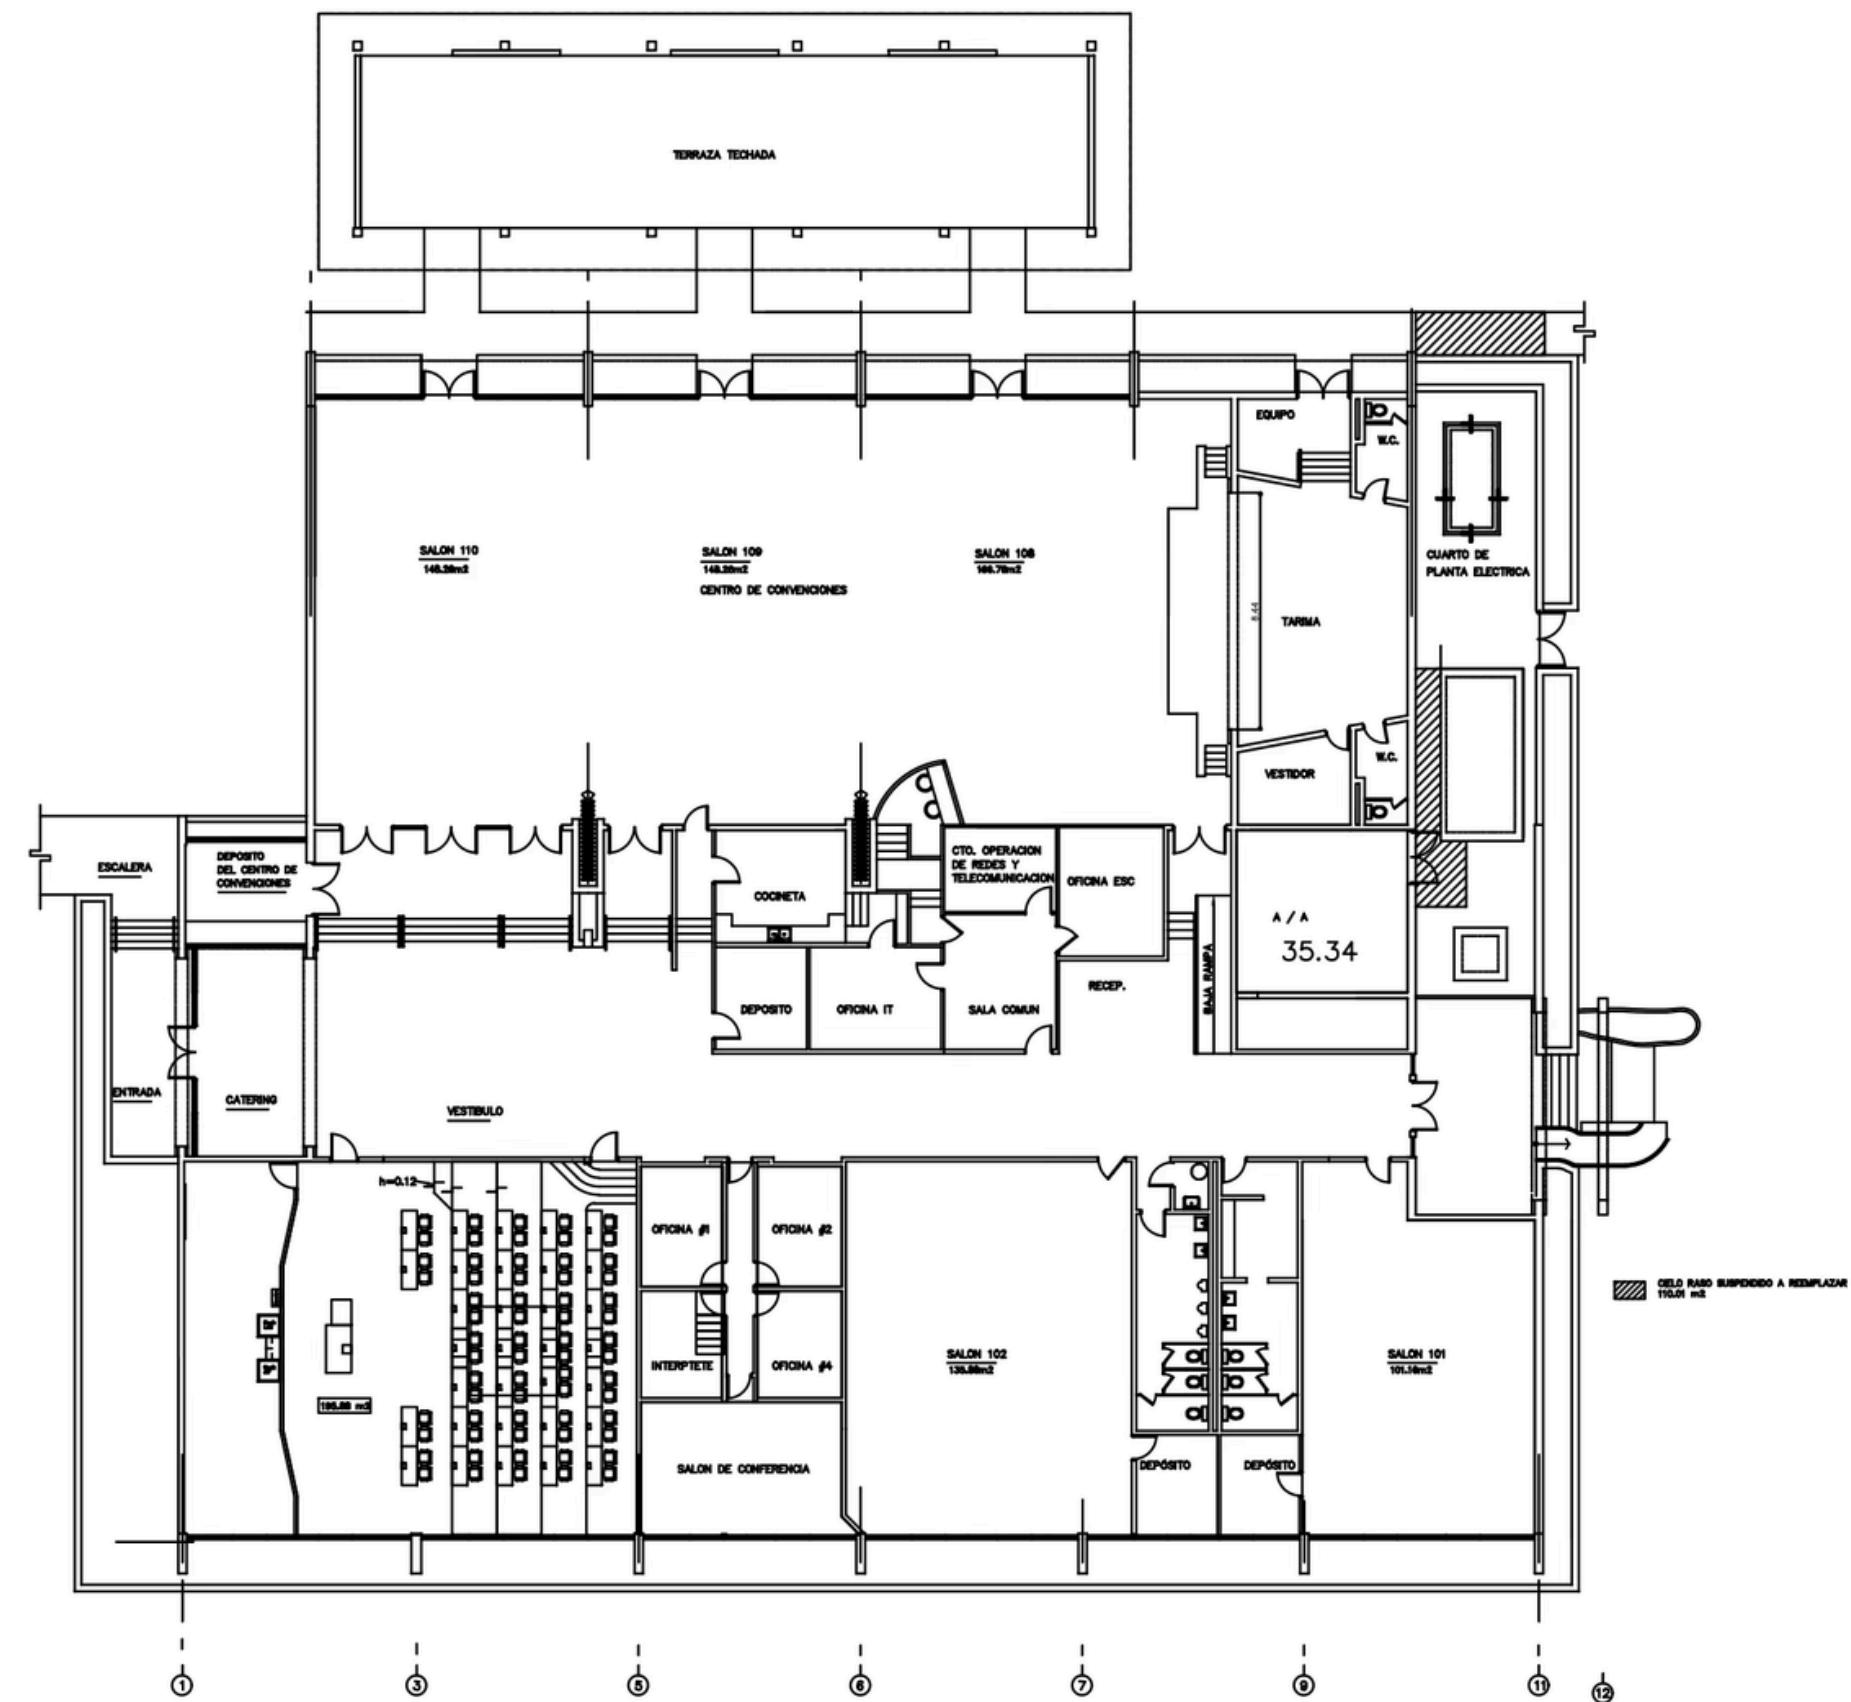

This is complemented by diverse breakout spaces, ranging from intimate rooms ideal for executive roundtables and private VIP meetings to a specialized tiered lecture hall perfectly suited for deep-dive technical workshops.
