SPONSORSHIP PROSPECTUS

SUPPORTED BY

CLOUD NATIVE
COMPUTING FOUNDATION

Contribute to the growth and advancement of our vibrant community

We are thrilled to present you with the unique opportunity to sponsor Kubernetes Community Days (KCDs), an extraordinary series of events that play a vital role in fostering the global community of engineers, developers, and cloud-native enthusiasts. As the adoption of Kubernetes and cloud-native technologies continues to surge, KCDs have emerged as one of the premier platforms for connecting like-minded professionals who shape the future of digital infrastructure.

In the last 3 years, the Cloud Native Computing Foundation supported more than 94 completed KCD events in 33 countries and 45 cities.

WHY SPONSOR

Sponsoring KCDs offers companies a unique opportunity to achieve multiple strategic objectives.

01

KCDs provides unparalleled **brand awareness** within the cloud-native and Kubernetes communities, connecting your company with highly engaged developers, system engineers, architects & technical leaders.

03

Associate your brand with one of the fastest-growing technology communities and demonstrates your **commitment to community** growth and development.

02

Gain access to **networking opportunities** with quality, targeted attendees, and leverage KCDs as a powerful platform to promote your product and recruit top talent from a diverse pool of skilled professionals.

04

By supporting KCDs, your brand will enhance its **credibility** by establishing itself as a prominent and influential player in Cloud Native technology.
